Safe Harbor Note

This release contains certain "forward looking statements" made pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. These statements involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Bexil, which may cause the Company's actual results to be materially different from those expressed or implied by such statements. The forward looking statements made herein are only made as of the date of this release, and the Company undertakes no obligation to publicly update such forward looking statements to reflect subsequent events or circumstances.

The Company views book value per share, a non-GAAP financial measure, as an important indicator of financial performance. Presented in conjunction with other financial information, the combined presentation can enhance an investor's understanding of the Company's underlying financial condition and results from operations. The definition of book value as presented in this press release is shareholders' equity attributable to Bexil shareholders divided by currently issued and outstanding shares.
